*Dear Customer,*

I would like to present to you the Traditional Garden Games catalogue, which outlines our three Traditional brands - Traditional Garden Games, Traditional Fun & Games, Traditional Sports & Fitness.

- The Traditional Garden Games range reflects the importance of tradition and heritage and encourages participation, competitiveness and fun.
- The Traditional Fun and Games range makes leisure time more enjoyable for all the family and encourages children's involvement and interaction.
- The Traditional Sports and Fitness range encourages the young to stay fit and healthy by engaging them in time honoured classic sports.

Our timeless brands offer the right levels of choice demanded by today's mass consumer markets and reflects the highest standards of quality and safety.

Our dedicated quality department endeavour to maintain long term relationships with suppliers and partner companies.

We are confident that our emphasis on quality management, safety and testing reflects in the consistent quality production of our products. As a national and global brand we care about our customers and work hard to continue offering high quality products and excellent customer service at great value.

If you have any questions please contact me by email to:

The Traditional Fun & Games range aims to make leisure time more enjoyable for all the family and encourages children's involvement and interaction.

The range features Jamanga, a massive coloured tower with a monster dice and timeless classics like Garden noughts and crosses, Garden draughts and Jumbo Black & White dominoes. New to our Traditional Fun & Games section is our Pop Rocket Launcher set and Junior Pop Rocket Launcher set for the younger children, as well as our extended range of play tents creating that perfect setting for imaginative play.

### Jamanga (Patent no - 2007201470048)

051

A massive coloured tower with monster dice. A game of skill and tactics, throw the giant dice and it gives you a choice of 2 colours, choose one and remove a brick of that colour from the tower. Get it right and the tower stays tall, get it wrong and the tower will fall. Everyone screams JAMANGA!!

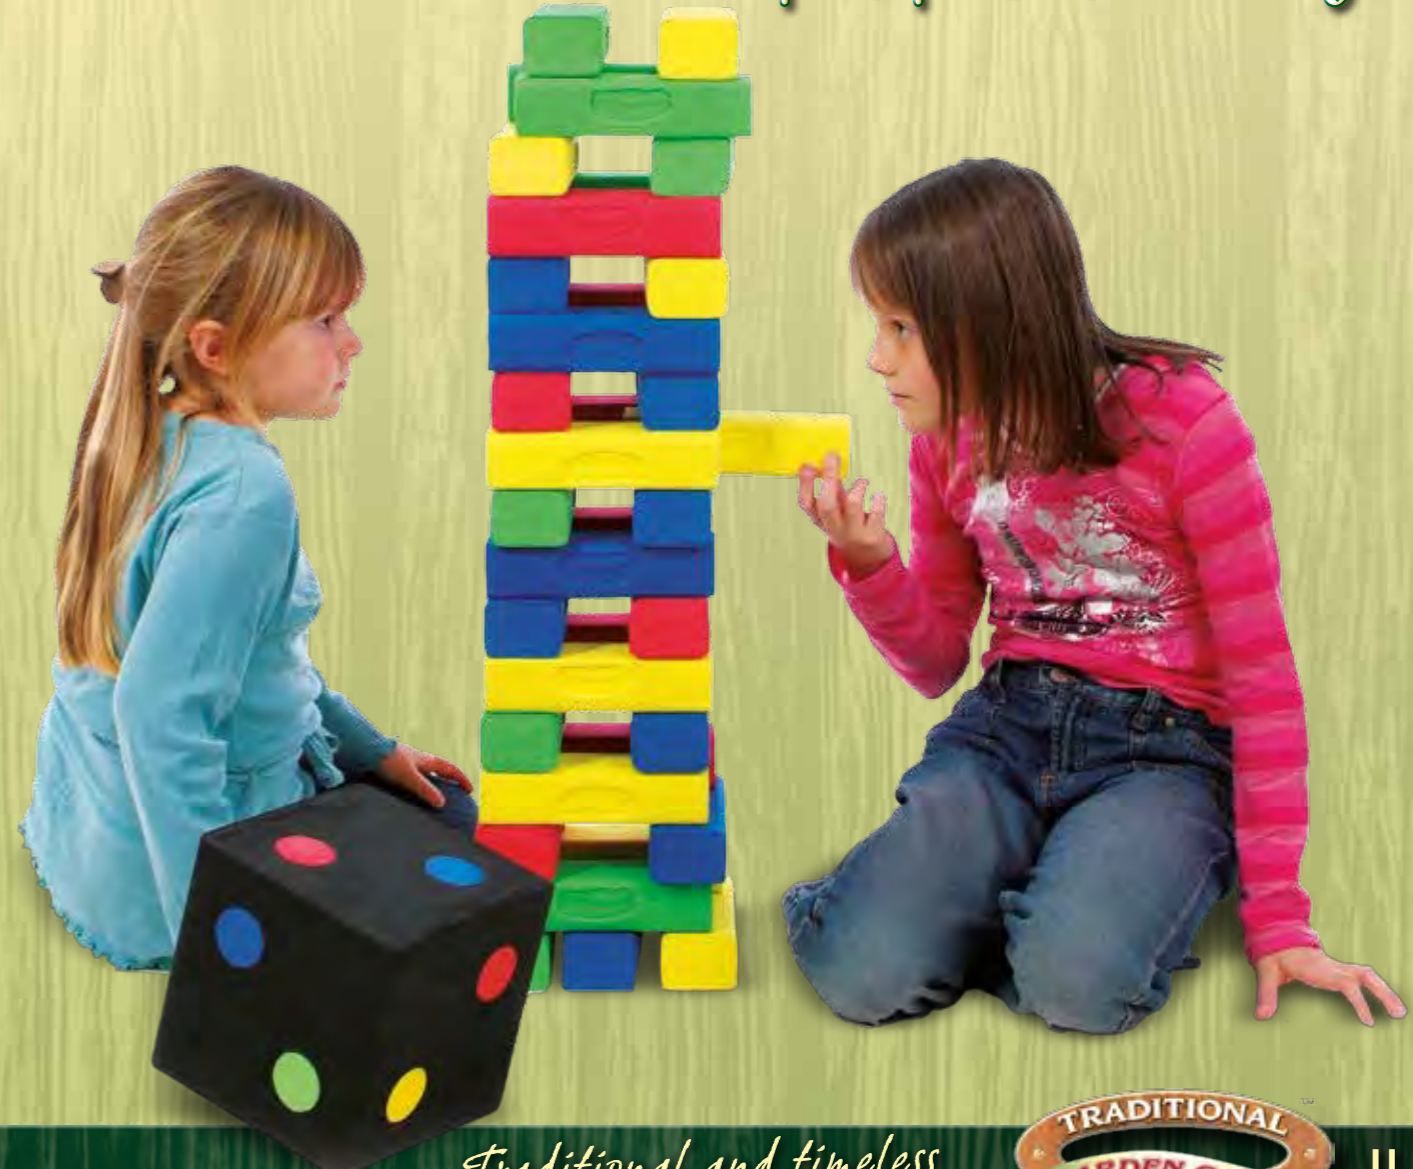

By using your skill and nerve you can leave the tower on the edge of collapsing making it impossible for your opponent to leave it standing. The tension is unbearable and the excitement is unbelievable. Will you collapse under pressure like the tower, or dare you try to stack 'em high?

**Contains:**

- 36 Coloured bricks.
- 1 Giant dice.
- Dimensions:
- Coloured bricks:  
L:18cm W:6cm D:4cm.
