

TRADITIONAL GARDEN LAWN DARTS

Great fun for all the family

RULES

1-Place one large ring at the starting point and place the two target rings one inside the other some 12 metres away. The distance between the start ring and the target rings can be varied according to ability and ages.

2-Stand one at a time with one foot in the start ring and throw the dart underarm towards the target ring. Continue with your second dart.

3- Next player takes their turn with a different coloured dart.

4-SCORING – the object is to be the first person or team to score 50 points. Score 10 points for each dart in the inner ring, 5 points for each in the outer ring and 2 points for the next nearest dart to the outer target ring in each round.
